¹ 133 total ballots were cast. Four ballots were discarded due to the following issues:

- (i) One ballot was left blank. The member who cast it was not responsive to the U.S. Transhumanist Party’s request to clarify his vote.
- (ii) One ballot was an initial vote by a member who then changed his vote. His revised vote was counted.
- (iii) Two ballots were submitted with names and e-mail addresses which were not found on the U.S. Transhumanist Party’s membership list. Inquiries were sent to the e-mail addresses in question in the attempt to obtain verification of U.S. Transhumanist Party membership, but no responses were received.
